Challenging youth to achieve excellence through music.

May 2015

Greetings!

Wisconsin School Music Association (WSMA) is pleased to announce the **implementation of our new electronic member enrollment system!** The system, which utilizes a new process for enrollment, is officially open and offers a number of immediate and long-term benefits:

- Flexibility of payment options (credit card, purchase order, check – by popular demand from membership)
- Quicker, shorter and simpler form
- Better accuracy of membership data collected and verified (better data = better communications)

Note: The collection of your school's directory information (music teacher names and contact information, name of principal, etc.) will occur in September to assure we have the most up-to-date information for the new school year.

We are also happy to share that there will be **NO INCREASES** in WSMA membership dues for the 2015-16 school year. While WSMA program participation fees for 2015-16 have incurred a small increase (about 2%), student tuition for both the Middle Level and High School State Honors Projects will **NOT** increase thanks to the Wisconsin Foundation for School Music Honors Endowment.

This is a perfect time to renew your school's membership in WSMA, especially if you have funds available in the current budget year. Since membership expires June 30, by enrolling now there will be no lapse in MyCenter online account access, ensuring that all is ready for the onset of the new school year, and teachers can begin planning participation in WSMA programs instead of waiting for enrollment to be renewed. You can also receive the discounted rate by enrolling now. Remember, discounted rates expire on October 1.

Complete your WSMA annual enrollment today at wsmamusic.org/enrollment

On behalf of WSMA, its board of directors and staff, I want to thank you for the outstanding work you are doing to assure a high quality music education for your students. Your school's membership is a valuable link toward enhancing the work you do for your students, school and community. WSMA looks forward to working with you and your school during the 2015-16 school year.

Please let me know if I can assist in any way. Best wishes for a great summer and start to the new school year.

Very truly yours,

Timothy Schaidt, Executive Director
Wisconsin School Music Association
