MADISON TRAVEL INFORMATION

We hope you will enjoy your visit to Madison in October. If possible, please plan extra travel time for traffic and delays. Please check with the Wisconsin Department of Transportation for road construction or other projects. Visit the DOT web site at: www.dot.wisconsin.gov/travel/road/workzones.htm.

MADISON AREA HONORS STUDENTS and PARENTS:

Please remember your child must stay at the Marriott with the rest of the Honors students. As chaperones of your child, we take our role and responsibilities very seriously, and keep very careful track of each student. Therefore, it is vitally important for all students to remain with their Honors group for the overnight component of the Honors rehearsals/concerts. Feel free to call Victoria Donahue, WSMA Program Director at 608-850-1022 if you have questions. Thanks for your understanding and support.
