

State Music Festival

May (, 202(

**Hosted By
Carroll University**

May 4, 2024

Welcome!

On behalf of the Music Program and the Department of Visual, Interactive, and Performing Arts, we are excited to welcome you to the campus of Carroll University for the WSMA State Music Festival. We are proud of our partnership with Wisconsin School Music Association and are strong supporters and advocates for music and arts education for all.

In numerous ways, experiences in music and the arts lead to a balanced life. A great education is one that reaches every student and helps them find their passions and ambitions and introduces them to experiences that help shape them as humans. The students and teachers from WSMA member schools participating today demonstrate that hard work and passion for music. The experiences today demonstrate that music education is thriving in the state of Wisconsin and deserves our support, from early childhood through K-12 and beyond.

The faculty, staff, and students at Carroll University hope your day on our campus is positive, meaningful, and impactful. We hope after today, you will return to our campus again by attending one of our many performances, learning about the incredible array of opportunities here at Carroll, or even by choosing Carroll for your college education! We hope that you will continue engaging with and performing music wherever you go.

Sincerely,

Dr. Stacy K. Dziuk, Festival Manager
Director of Bands/ Instrumental Music
