May 4, 2024

Greetings,

On behalf of the Department of Music and Theatre Arts, I would like to welcome you to our campus. Your hard work and dedication have been rewarded with the opportunity to perform here today, so please enjoy the product of all of your preparation. It is our sincere hope that your musical experience today is memorable.

I invite you to enjoy our beautiful campus today. While you are here, please take the time to talk with our music faculty and departmental students who are working at the contest venues. They will be happy to answer your questions about the many opportunities in music, theatre, and dance we offer here.

UW-Eau Claire is the largest undergraduate program in music in the UW-System and region, with a long tradition of excellent music making. As a result, we are uniquely positioned to give you a broad range of quality musical experiences. Music students here choose from majors in education, performance, liberal arts, and composition. We also offer a theatre degree in musical theatre, and certificates in arts administration, recording arts, songwriting, theatre, and dance. Any student, regardless of major, might choose to participate in one of our three Concert Bands, the Blugold Marching Band, six Choral Ensembles, Opera/Musical Workshop Ensemble, University Symphony Orchestra, Chamber Orchestra, four Jazz Ensembles or the many chamber ensembles. Well over half of the students participating in music ensembles at UW-Eau Claire are pursuing majors other than music! We encourage you to explore your diverse interests here!

Please feel free to contact me at (715) 836-5842 or by e-mail at phillins@uwec.edu. Information about the Department of Music and Theatre Arts is available at the department's web site at <http://uwec.edu/mus-the>.

Again, welcome to campus, and best wishes for wonderful performances and a fun and informative day!

Sincerely,

Nicholas Phillips

**WISCONSIN SCHOOL MUSIC ASSOCIATION
STATE SOLO & ENSEMBLE FESTIVAL – GENERAL INFORMATION
UW-Eau Claire Campus – May 4, 2024**

Festival Headquarters

Festival Headquarters is located in the Davies Center, 3rd Floor, Room 350 (room is labeled “Alumni”).

Festival Scheduling

Wisconsin School Music Association (WSMA) creates the schedule for this state festival. WSMA did its very best to honor emergency time requests and avoid conflicts wherever possible. If conflicts remain, the largest group from within the same school should have priority. A teacher may switch event performance times **within their school’s entries** in a specific site by notifying the room monitor. Room monitors have been instructed to refuse on-the-spot schedule requests by students. Only school music teachers will be authorized to make such requests. Please inform room monitors if delays are anticipated. Performers or teachers CANNOT change rooms. Directors are asked to provide notification about any cancellations to the room monitor.

Results Postings

Unofficial results will be posted throughout the day in the Davies Center entryway near the US Bank, at the main entrance to Centennial Hall, and in the lobby of the Haas Fine Arts Center (see maps for details). Please note, headquarters staff must verify and process all adjudication rubrics before ratings are posted to ensure accurate results and to maintain score integrity. Every effort will be made to streamline the process while ensuring accuracy for participants. Unofficial results will be posted on the WSMA website approximately every two hours; look for QR code posters near performance sites. Official results will also be posted online within 48 hours at www.wsmamusic.org.

Adjudication forms will be available to **ONLY school music directors** a minimum of one hour after your **school’s (not an individual’s)** final performance. WSMA will scan and email unretrieved results to participating school music teachers the week following the festival. Results packets can be mailed upon request.

Information Desks *Information Desks are in the following locations:*

Site-Specific Information

Each site will have a piano, bench, an appropriate amount of chairs and stands, and audience seating provided. Percussion info below.

Warm-Up Rooms

Warm-up rooms have been assigned to each performance site. Please see the schedule for designated warm-up rooms. **PLEASE use the assigned warm-up for your specific site. This may mean you use different warm-up rooms if you are performing in several different sites throughout the day’s schedule.** This helps eliminate excessive noise and crowding, as warm-up rooms are near sites.

Note: Pianos may not be available at all warm-up room locations. UW-Eau Claire attempts to provide pianos wherever possible.

The Wind and Percussion Division of the Dept. of Music & Theatre Arts will provide the following large percussion instruments:
