Welcome!

It is our pleasure to have you on the campus of the University of Wisconsin – Milwaukee for the 2024 WSMA State Festival on Saturday, April 27. We have included a map to help you navigate the three buildings we use for performance sites.

This year, events will be in the UWM Music Building (3223 N. Downer Ave.), the adjacent Fine Arts Lecture Hall (ACL 120), and the Zelazo Center for the Performing Arts (2419 E. Kenwood Blvd.). Entrances to the respective buildings will be clearly labeled for your convenience.

We also ask that you DO NOT warm-up in places other than the designated warm-up rooms (including the areas in the UWM Union). The UWM Union is a public building, which may be hosting other public events on the same day. Anyone playing in the Union will be asked to leave. **Remember to always keep your belongings with you. The University cannot be responsible for lost or stolen articles. Do not use warm-up rooms as storage (even temporarily).** Additionally, the UWM Campus is completely **TOBACCO-FREE including outside** on-campus property. Thanks for making note of this.

Please consult the General Information section for loading/unloading information and percussion instrument information. Please observe all posted placards regarding parking. **All parking restrictions will be enforced on Saturday both on campus and at city meters.**

We look forward to hosting you soon and wish you a fun and successful day on campus at UW-Milwaukee!

Sincerely,

Dr. Scott R. Corley
Associate Director of Bands
Teaching Professor, Instrumental Music Education

Dr. Gillian Rodger
Music Department Chair

Results Posting

QR codes that link to frequently updated results on the WSMA website will be available. The codes will be posted throughout Music Dept. facilities used for this event. Additional hard-copy postings will be periodically updated in the Mainstage Theatre Lobby. Directors are encouraged to pick up completed adjudication forms after the last results for the school have been recorded at Festival Headquarters (Music Office, MUS 130). WSMA will scan and email unretrieved results to participating school music teachers the week following the festival. Results packets can be mailed upon request to WSMA. Official results will also be posted within 48 hours at www.wsmamusic.org.

Equipment Provided

Per WSMA guidelines, the UWM Music Department only provides the following in each site: piano, chair(s) and music stand(s).

Also, the following percussion equipment will be available only in ZEL Rm. 250 (percussion performance site). *These items are not duplicated in the Percussion warm-up room (ZEL Rm. 280).*

- | | | |
|-----------------------------|---------------|-------------------|
| ● 1 Set of four timpani | ● Marimba | ● 1 Set of chimes |
| ● Bass drum on a tilt stand | ● 1 Xylophone | ● 1 Vibraphone |

Parking and Unloading

Buses may unload students along Downer Avenue, Kenwood Boulevard, or Hartford Avenue. We recommend bus parking along Lake Drive east of campus (or use the Lake Park parking just off Lincoln Memorial Drive). General parking is available in the UWM Union parking garage, on adjacent neighborhood streets to the east and north of the campus, and a small lot south of the Zelazo Center. **Please note all posted parking terms and payment instructions, as they differ across all these options.**

Equipment for show choirs or jazz ensembles can be unloaded in the small parking lot on the east end of the UWM Music Building: Enter a long drive from Downer Ave. (keep your eyes open for exiting vehicles) between Mitchell Hall (red brick) and Curtin Hall (tall cement structure). Short-term meters are in effect in this lot. **You must load/unload and then move your vehicle immediately.**

Schedules

WSMA created the schedule for this State Solo & Ensemble Festival, honoring requests as possible. If conflicts remain, the largest group from within the same school should have priority. Please inform door monitors if delays are anticipated. Directors may switch performance event times within their own school's entries **and** within the same room by notifying the door monitor, but it is NOT possible to change rooms.
