Welcome! The campus community welcomes the excitement and creativity that the WSMA music festival brings to our halls. Congratulations for being selected to participate in this festival. This is a unique opportunity for you to exhibit your exceptional talent. We hope this festival will be a source of encouragement and motivation for you, your family, and your school music program.

The UW-Parkside Music Department offers a high-quality fine arts facility, including a magnificent concert hall that has received rave reviews for its acoustic responsiveness, and excellent faculty that are nationally-recognized teachers and performers.

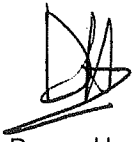

Our degree programs offer a Bachelor of Arts with concentrations in:

- **Music Education** – K-12 Vocal and Instrumental Licensure
- **Performance** - Classical, Jazz, and Contemporary Commercial Music (modern styles, pop history, sound production, popular music theory and composing)
- **Liberal Arts** – a broad music curriculum with applied lessons that can work synergistically with other degree programs

Music performances provide ample experience to all music majors and minors in a wide variety of large and small ensembles. The music education program features extensive professional experiences in K-12 music classrooms. Our Music Department offers small class sizes, responsive advising, individual attention, and timely degree completion. Music scholarships are available to incoming and continuing students.
