UNIVERSITY OF WISCONSIN WHITEWATER

April 2024

To the Participants in the WSMA State Music Festival:

On behalf of the faculty, staff, and students of UW-Whitewater, we welcome each of you to the 2024 WSMA State Solo & Ensemble Festival. CONGRATULATIONS on earning the opportunity to perform here today! UW-Whitewater is proud to have students from our numerous ensembles and classes assisting you today. These students not only represent the music department, but they also come from majors across the university. Just as you are – they are volunteering their time today to help you have a rewarding experience. If they can help you, they will.

Please read the following information carefully. It contains directions for which you are responsible. **Please note that no music, instruments, or personal belongings can be left in the atrium, warm-up rooms, or hallways during performances. Always take everything with you.** This is for fire safety as well as for the safety of your property. The university is not responsible for any personal or school items. **Cell phone usage is not permitted in performance areas including the hallways directly outside performance sites apart from festival staff. Please be considerate of all performers.**

Results will be posted online, on average, approximately every 90 – 120 minutes, but we cannot guarantee specific times. We work to post results as quickly as possible; however, they are checked thoroughly before posting to ensure accuracy. We truly appreciate your patience and understanding.

We hope that your participation in the solo and ensemble festival strengthens your interest and commitment to music. As you consider the future, we hope that you may consider UW-Whitewater and its many programs in your plans. Most importantly, take a moment today to thank all the people who have supported you on your musical journey, especially your incredible music teachers and parents!

Best wishes for a GREAT day,

Matthew C Onstad

GENERAL INFORMATION

PLEASE NOTE: No equipment, instruments, or personal property may be left unattended in public spaces including the atriums, warm-up rooms, hallways or outside performance sites. Make plans to carry your equipment with you. Check each area before you leave to make sure you have all of your belongings.

Schedules

Wisconsin School Music Association (WSMA) created the schedule for this state festival. WSMA did its very best to honor emergency time requests and avoid conflicts whenever possible. If conflicts remain, the largest group from within the same school should have priority. Please inform door monitors if delays are anticipated. If a director finds it necessary to switch event performance times within their own school's entries, this must be done **WITHIN** a room site with notification to the door monitor and the judge. Room changes are **NOT** possible.

Buildings & Warm-Up Rooms

Events will be held in the following buildings:

- Hyland Hall (all vocal solos, string events, some vocal ensembles, and handbells)
- Greenhill Center for the Arts (all piano solos, brass, woodwind and percussion events, and large vocal ensembles)

Warm-up rooms are available in each building. No playing may take place outside of warm-up rooms or performance rooms.

Directors: *Please* print and distribute the attached campus map to your students.

THERE ARE TWO DIFFERENT BUILDINGS FOR THIS FESTIVAL

Please tell them which building they are performing in and where it is located. Please encourage them to try to come **at least 45 minutes early**, so they have plenty of time to:

- Park
- Find the correct building,
- Find the warm-up area, and
- Find their site.

This will help allay their nerves and the frustration of parents and family members who can't find the location on their own. Parents get very upset if they miss their student's performance because they don't know there are two buildings, which building they are performing in, etc. Many people tend to stop at the **Center for the Arts** because it is right on Main Street, easily visible for first-time or infrequent visitors to campus.

***More of the sites, however, are in **Hyland Hall** – about a block and a half away from the Center for the Arts. As UW-W students and staff direct traffic for the festival, the most frequent complaint we hear from parents and students is that they did not know there were two different buildings on different areas of campus. We want students (and their families) to have a great solo/ensemble contest experience. Going to the wrong building and having to run to a different one to make it on time rarely leads to a strong performance and can be very upsetting for students and their families.

Please let your piano students (and their parents) know that the piano solo performances are performed in music studios; therefore, the space is very limited. We are trying to give piano performers good pianos in an area of the building that doesn't have a lot of sound bleed to interrupt their performances. Consequently, it is likely only 2 audience members will be admitted to any solo piano performance. *We want parents to know this ahead of time*, so they are not disappointed and upset if there isn't space for more than 2 audience members in the studio.

Parking

Parking is free in all campus lots. **Buses to the Center of the Arts or Young Auditorium should unload BEHIND the building (Lot 2) or alongside it on Prince Street, not in the parking lot in front of the building.** Students can enter at the door off Prince Street. Buses to all buildings can park either in Lot 7 near the Visitor Center on Starin Avenue or in the parking lot next to Walmart on Main Street. Please observe all handicapped spaces. **Please note:** Vehicles parked illegally on streets near campus have been ticketed in the past.

Results Posting

Results will be posted throughout the day at www.wsmamusic.org. QR codes linking to the results website will be posted throughout both buildings. Please note: paper results will no longer be posted in the buildings. **Forms will be mailed to all schools on Monday.** Official results will also be posted within 48 hours at www.wsmamusic.org.

Equipment Furnished

Pianos are provided in event rooms where required.

The following percussion equipment will be provided in Site 12, CA 1016:

Set of 4 Timpani	1 36" Tam Tam
2 Marimba (4 1/3 octave)	1 Set of Chimes (1.5 octave)
1 Concert Bass Drum	1 Vibraphone without motor (3 octave)
1 Xylophone (3.5 octave)	Orchestra Bells

A Vibraphone without motor will also be available in Young Auditorium for the Jazz Ensembles.

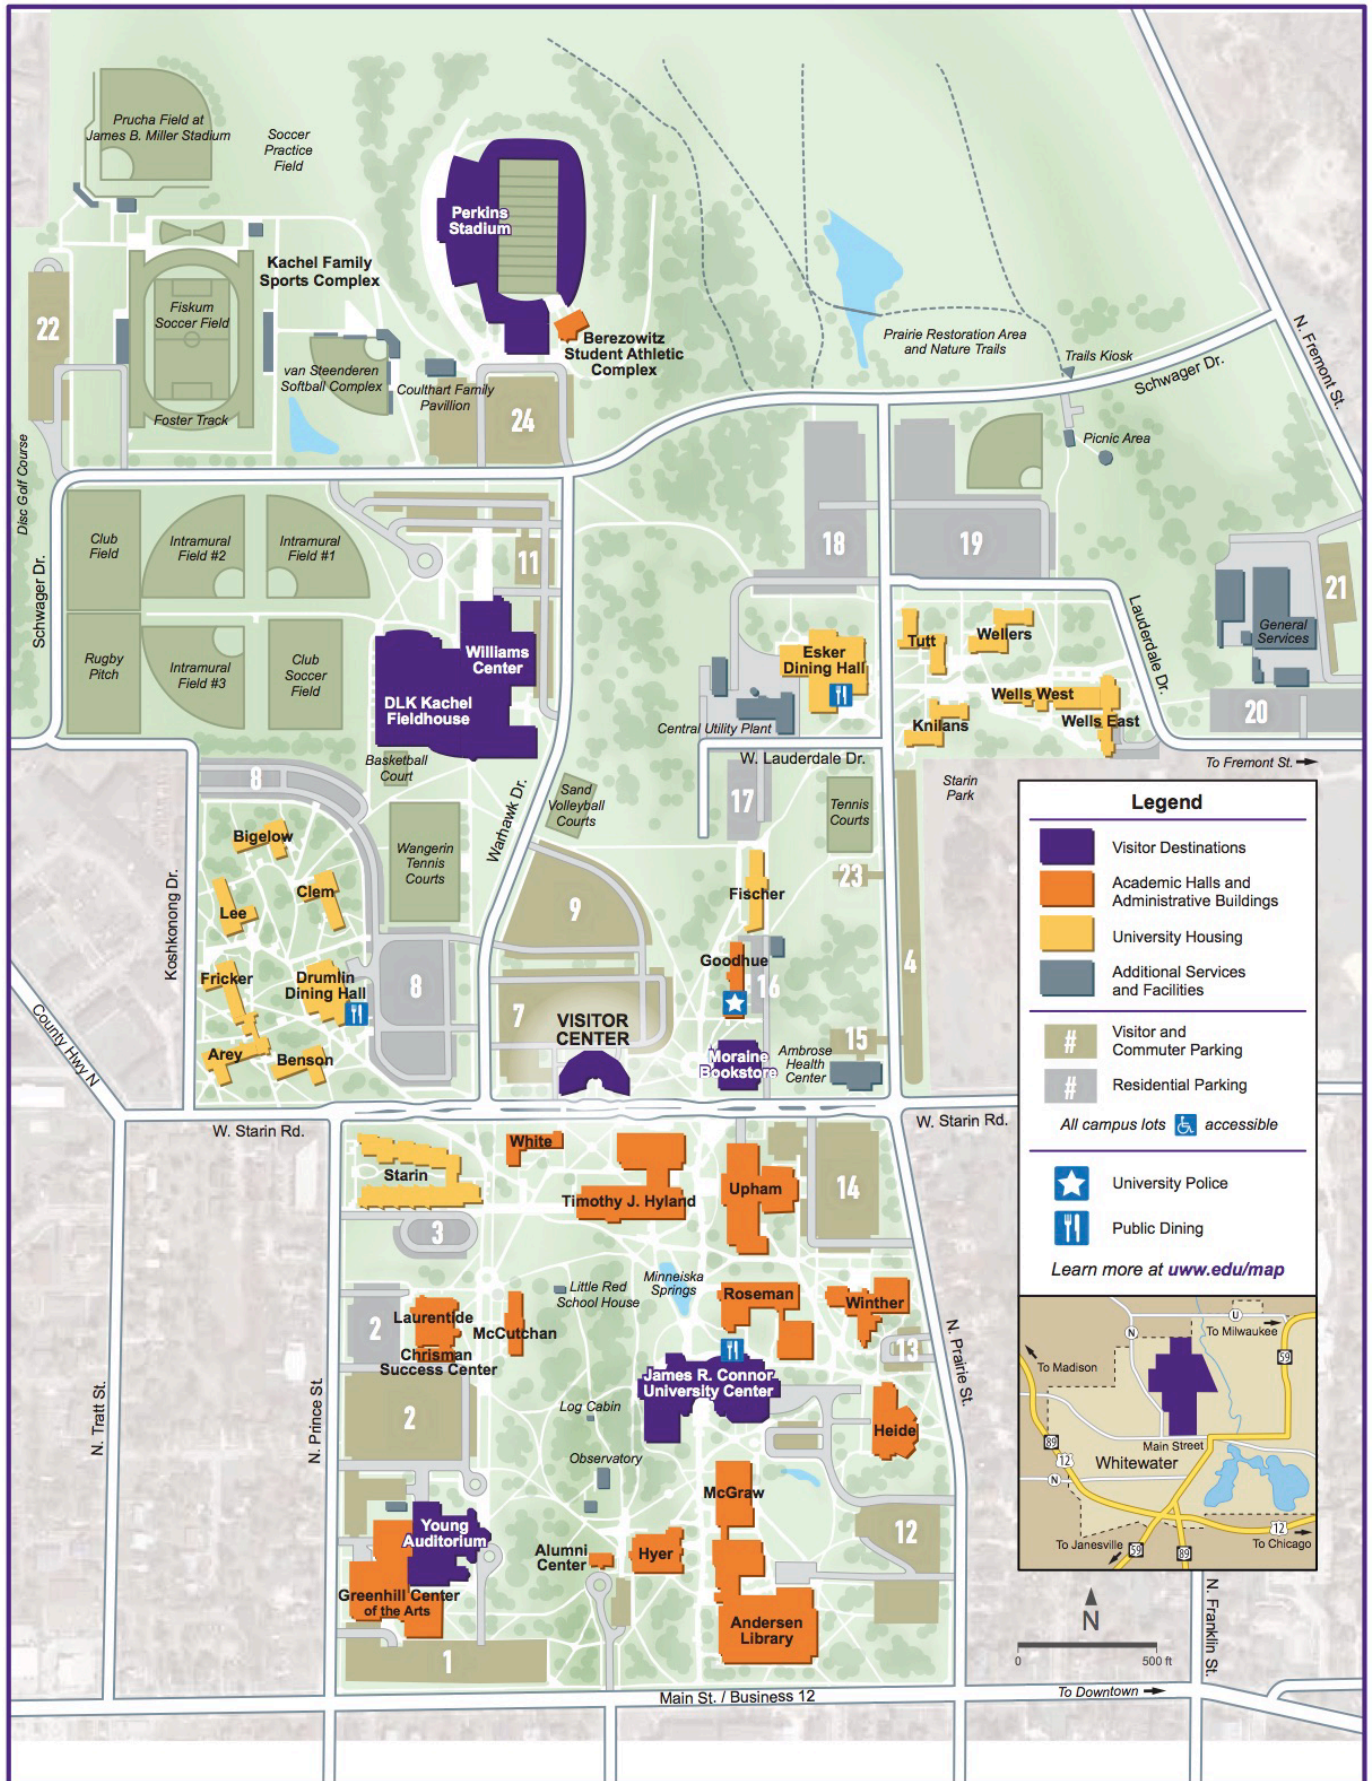

A 4 1/3 synthetic bar marimba and 3.5 octave xylophone will be available in Site 9, CA 1005.

*****Directors are responsible for bringing ALL MALLETS/STICKS/BEATERS/CHIME HAMMERS, ETC., and all drumsets, snare drums/toms/accessories/other percussion.**

Jazz Ensemble Equipment

Sound equipment will only be provided in Young Auditorium. **Jazz ensembles will need to bring their own drumset, bass and/or guitar amps. Electricity, risers, a piano, chairs, stands and a solo microphone with speaker will be provided.** If your performance requires a CD player or iPad, you must make arrangements to bring your own as one will not be provided.

We hope your visit to UW-Whitewater is rewarding and enjoyable.
Good luck to all of the participants!
