

**WISCONSIN SCHOOL MUSIC ASSOCIATION
STATE SOLO & ENSEMBLE FESTIVAL – GENERAL INFORMATION
UW-Eau Claire Campus – May 3, 2025**

Festival Headquarters

Festival Headquarters is located inside the Davies Center, 3rd Floor, Room 350 (room is labeled “Alumni”).

Festival Scheduling

The Wisconsin School Music Association (WSMA) creates the schedule for this state festival. WSMA did its very best to honor emergency time requests and avoid conflicts wherever possible. If conflicts remain, the largest group from within the same school should have priority. A teacher may switch event performance times **within their school’s entries** in a specific site by notifying the room monitor. Room monitors have been instructed to refuse on-the-spot schedule requests by students. Only school music teachers will be authorized to make such requests. Please inform room monitors if delays are anticipated. Performers or teachers CANNOT change rooms. Directors are asked to provide notification about any cancellations to the room monitor.

Results Postings

Unofficial results will be posted throughout the day in the Davies Center entryway near the US Bank, at the main entrance to Centennial Hall, and in the lobby of the Haas Fine Arts Center (see maps for details). Please note, headquarters staff must verify and process all adjudication rubrics before ratings are posted to ensure accurate results and to maintain score integrity. Every effort will be made to streamline the process while ensuring accuracy for participants. Unofficial results will be posted on the WSMA website approximately every two hours; look for QR code posters near performance sites. Official results will also be posted online within 48 hours at www.wsmamusic.org.

Adjudication forms will be available ONLY to **school music directors** a minimum of one hour after your **school’s (not an individual’s)** final performance. WSMA will scan and email unretrieved results to participating school music teachers the week following the festival. Results packets can be mailed upon request.
