Festival Schedule

Wisconsin School Music Association (WSMA) created the schedule for this State Festival. They have done their best to honor emergency time requests and avoid conflicts. If conflicts remain, the largest group from within the same school should have priority. A teacher may switch event performance times within their school's entries in a specific site by notifying the room monitor. Room monitors are instructed to refuse on-the-spot schedule requests by students. Only school music directors are authorized to make such requests. Please inform room monitors if delays are anticipated. Performers and teachers may not change rooms. Directors are asked to provide notification about any cancellations to the room monitor and Festival Headquarters.

Warm-Up Rooms

Each performance site has a specified warm-up space. Please use only the space assigned to your event. A list of site and warm-up room locations follows.

Results

Unofficial results will be posted continuously after 10:00 a.m. In order to avoid crowding: **Results will be posted online only:** www.wsmamusic.org. Directors may pick up adjudication forms when their school's events are completed and the forms have been tabulated. Adjudication forms will be at Festival Headquarters (SS 1100). Forms not retrieved by 5:30 pm, will be scanned and emailed to school music teachers by WSMA. Result packets can be mailed upon request.

Parking / Maps

You may refer to campus building locations and parking lots at <http://www.uwgb.edu/maps/> or the festival program map. ***UWGB building numbers do not correlate with WSMA site numbers.***
