# SCHOOL DISTRICT OF WEST SALEM

April 2025

To the Participants in the WSMA State Solo & Ensemble Festival:

On behalf of the staff and administration of the School District of West Salem, we welcome each of you to the 2025 WSMA State Solo & Ensemble Festival. CONGRATULATIONS on earning the opportunity to perform at the highest level our state offers! The School District of West Salem is proud to have adults from our community along with students from UW-La Crosse & Viterbo University assisting you today. They are volunteering their time today to help you have a rewarding experience. They will be more than happy to assist you.

Please read the following information carefully. It contains directions for which you are responsible. Please note that no music, instruments, or personal belongings can be left in the open commons spaces, warm-up rooms, or hallways during performances. Always take everything with you. This is for fire safety as well as for the safety of your property. The School District of West Salem is not responsible for any personal or school items. Cell phone usage is not permitted in performance areas including the hallways directly outside performance sites apart from festival staff. Please be considerate of all performers by maintaining silence near performance areas.

We will have performance sites in all three buildings on campus. Our main headquarters is located in the West Salem High School Main Office. WSMA will post results approximately every two hours. We work to post results as quickly as possible; however, they are checked thoroughly before posting to ensure accuracy. We truly appreciate your patience and understanding.

We hope that your participation in the solo and ensemble festival strengthens your interest and commitment to music, and that you continue to share your musical talents in high school, college and beyond! Most importantly, take a moment today to thank all the people who have supported you on your musical journey, especially your incredible music teachers and parents!

Best wishes for a rewarding day,

Ryan L. Waldhart  
Instrumental Music Educator, School District of West Salem  
President, La Crosse Concert Band  
WSMA State Festival Manager

## GENERAL INFORMATION

**IMPORTANT NOTE:** *No equipment, instruments, or personal property may be left unattended in public spaces including the commons, warm-up rooms, hallways or outside performance sites. Make plans to carry your equipment with you. Check each area before you leave to make sure you have all of your belongings.*

### **Schedules**

Wisconsin School Music Association (WSMA) created the schedule for this state festival. WSMA did its very best to honor emergency time requests and avoid conflicts whenever possible. If conflicts remain, the largest group from within the same school should have priority. Please inform door monitors if delays are anticipated. If a director finds it necessary to switch event performance times within their own school's entries, this must be done **WITHIN** a room site with notification to the door monitor and the judge. Room changes are **NOT** possible.

### **Buildings & Warm-Up Rooms**

Events will be held in the following buildings:

- West Salem Middle School (all vocal events)
- West Salem Elementary School (all string events)
- West Salem High School (all piano, woodwind, brass & percussion events)

Warm-up rooms are available in each building. **No playing may take place outside of warm-up rooms or performance rooms, including outside.** At the High School, Room 170 will serve as a warm-up room for any event including larger ensembles. Room 121 will be suitable for solo performers and small ensembles. The Middle School will have a warm-up room on each floor along with an ensemble warm-up space. Room 146 will be an additional warm-up space for ensembles.

**Directors:** *Please* print and distribute the attached campus maps for your students.

### **AGAIN, THERE ARE THREE DIFFERENT BUILDINGS FOR THIS FESTIVAL**

Please tell your students which building they are performing in and where it is located. Please encourage them to try to come **at least 45 minutes early**, so they have plenty of time to:

- Park – we have plenty of options as indicated on the maps
- Find the correct building
- Find the warm-up area
- Find their site

This will help relax their nerves and the frustration of parents and family members who can't find the location on their own. Parents get very upset if they miss their student's performance because they don't know there are multiple buildings, which building they are performing in, etc. Our High School Main Office will serve as the festival headquarters where results are processed and questions can be answered.

## **Concessions**

There are no food options within walking distance of the School District of West Salem campus, so we are offering a concession stand for all performers, attendees & directors. This will be located in the High School Commons area, located at the East Main Entrance of West Salem High School.

Parking is free on all campus lots. Buses should park at the West Salem Elementary School Front Loop, where there are natural bus parking slots. This serves as a central location, equidistant to all three buildings. It is clearly marked on the CAMPUS MAP. Students can enter at the doors marked with stars on the maps. If you have larger equipment to unload, please use the High School (Heider Center) Northwest Entrance or the front loops at the Elementary and Middle School. Please do not park in the loops as those are marked fire lanes.

## **Results Posting**

Results will be posted throughout the day at [www.wsmamusic.org](http://www.wsmamusic.org). QR codes linking to the results website will be posted throughout all buildings. Please note: paper results will no longer be posted in the buildings. Forms will be scanned and emailed to all schools the week following the festival. Official results will also be posted within 48 hours at [www.wsmamusic.org](http://www.wsmamusic.org).
