**Hosted By
UW-Parkside**

To: WSMA State Festival Participants
From: UW-Parkside Music Department

Welcome! The campus community welcomes the excitement and creativity that the WSMA festival brings to our halls. Congratulations for being selected to participate in this festival. This is a unique opportunity for you to exhibit your exceptional talent. We hope this festival will be a source of encouragement and motivation for you, your family, and your school music program.

The UW-Parkside Music Department offers a high-quality fine arts facility, including a magnificent concert hall that has received rave reviews for its acoustic responsiveness and excellent faculty that are nationally-recognized teachers and performers.

Our degree programs offer a Bachelor of Arts with concentrations in:

- Music Education – K-12 Vocal and Instrumental Licensure
- Performance – Classical, Jazz, and Contemporary Commercial Music (with focus on performance, composition, and/or sound design)
- Liberal Arts – a broad music curriculum with applied lessons that can work synergistically with other degree programs

Music performances provide ample experience to all music majors and minors in a wide variety of large and small ensembles. The music education program features extensive professional experiences in K-12 music classrooms. Our Music Department offers small class sizes, responsive advising, individual attention, and timely degree completion. Music scholarships are available to incoming and continuing students. For more on our programs, please visit: <https://www.uwp.edu/learn/departments/music/>
